

# A N T H E M   L I G H T S

November 21st, 2019

Bethel Church

6:40-8:40 PM

Dear Friends,

On Thursday, November 21st, 2019, Red River Youth for Christ is hosting its annual fall fundraiser. This year we will be sharing about what God has been doing through Red River Youth for Christ as well as kicking off the holiday season with Concert for a Cause. This year's concert entertainment will be Anthem Lights. [Click here](#) to check out their music. This event will be held at Bethel Church in Fargo from 6:40-8:40 PM. We hope to share this evening with you.

We invite you to consider partnering with us for this kickoff to the holidays fundraiser event. The levels of sponsorship with descriptions and marketing information can be found on the following page. This is a great opportunity for you and/or your business to show support for an amazing organization and get behind the work that Youth for Christ is doing in our community.

For the past 38+ years, Youth for Christ has committed to serving the middle school and high school youth of Cass and Clay counties as a positive influence both on and off campus. Through its ministry programs, Youth for Christ provides meals to students who do not have access to quality food, mentors expecting and parenting teen moms, reaches out to teens in the West Central Regional Juvenile Center, and builds relationships and shares the gospel with students. Many of the teens we work with are constantly battling peer pressure, abuse, addictions, and so much more. This event is an integral part of Youth for Christ's fundraising effort as it enables us to help grow the ministry's ability to serve the youth in our community. If you would like to sponsor this event, please fill out the enclosed form and mail or email it back to us.

If you have any questions or would like to know more about this evening, please feel free to call the YFC office at (701)237-6682 or email [daniellehill@redriveryfc.com](mailto:daniellehill@redriveryfc.com).

Thank you for your consideration.

Danielle Hill  
Special Projects Coordinator
